

New Concept

Movable Floor Pit System

Developed by the team at Continental to enable Rebound Therapy in any multi-purpose space.

- FLOOR FOLDS UP TO REVEAL THE REBOUND EQUIPMENT
- TRAMPOLINE RAISES AS THE FLOOR FOLDS
- SUITABLE FOR ANY FLOOR SURFACE
- STRONG ENOUGH FOR ANY ACTIVITY WHEN CLOSED
- NO DEDICATED THERAPY ROOM IS REQUIRED.

Every One is Different

At Continental we've developed an in depth knowledge and understanding of the specialist requirements when building any Rebound Therapy room.

From the architect's desk to handing over the keys we offer an individual service which includes design, manufacture, supply and installation of the trampoline and the surrounding environment.

- CONSULTATION WITH ARCHITECTS AND BUILDERS
- DESIGN, MANUFACTURE AND INSTALLATION
- CUSHIONED FLOORING AND MATTING
- WALL PADDING
- GUIDANCE WITH THE INTEGRATION OF HOISTS AND OTHER SERVICES
- BESPOKE TRAMPOLINE SOLUTIONS
